DETAILED ACTION

Response to Amendment

1. This communication is responsive to the applicant's amendment filed on 12/18/2008. The applicant(s) amended claims 1, 7, 11 and 16-18 (the amendment: pages 2-6; also see Examiner's amendment below).

The examiner withdrew the previous claim rejection under 35 USC 112, because the applicant made amendment and/or clarification for the corresponding claims (see the amendment: pages 2-12).

The examiner withdrew the previous claim rejection under 35 USC 102/103, because the applicant amended the corresponding claim(s) (including Examiner's amendment, see below) and made persuasive arguments (see Remarks: pages 13-15), which overcame the previous prior art rejection and provided considerable reason for allowance (also see the examiner's statement for allowance below).

Examiner's Amendment

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Art Unit: 2626

Authorization for this examiner's amendment was given in a telephone interview with the applicant's representative, James P. Naughton (30,665), on 03/27/2009. The Examiner's Amendment is as following:

In the claims (refer to the amendment filed on 12/18/2008):

Claim 1, line 4 of the claim, after "means for automatically translating", replace "the spelling" with --a spelling place name--;

line 5 of the claim, after "original text item in the first language into a new text item", insert -- in the second language--.

Claim 7, line 4 of the claim, after "means for automatically translating", replace "the spelling" with --a spelling place name--;

line 5 of the claim, after "abbreviated original text item in the first language into a new text item", insert -- in the second language--.

Claim 11, line 4 of the claim, after "automatically translating", replace "the spelling" with --a spelling place name--;

line 5 of the claim, after "in the first language into a new text item", insert -- in the second language--.

Claim 16, line 8 of the claim, after "name text item in a first language into a new text item", insert -- in the second language--;

line 10, after "not include in the alphabet of", replace "a" with --the--.

-----End of Examiner's Amendment-----

Art Unit: 2626

Allowable Subject Matter

3. Claims 1-18 are allowed.

The examiner's statement of reasons for allowance is based on the same reason(s) as the applicants' arguments regarding the independent claims 1, 7, 11 and 16 in the latest amendment filed on 12/18/2008 (see the amendment: pages 13-15), which are persuasive and provide the reasonable basis for the allowance. In addition, the newly added term of "place name" (in Examiner' Amendment, see above) in the combined limitations for claims 1, 7 and 11, further strengthens the basis for the allowance, so that the combined features in the amended independent claims are not anticipated by, nor made obvious over the prior art of the record.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
